CEASE AND DESIST NOTICE – UNAUTHORIZED USE OF WASA BRANDING

Representatives of the Water and Sewerage Authority (WASA) have observed unauthorized usage of the Water and Sewerage Authority (WASA) logo by contractors. The Authority wishes to advise contractors and suppliers that the unauthorized use of the Water and Sewerage Authority's (WASA) branding, including but not limited to logos, insignias, trademarks, and other identifying marks, on equipment, materials, documentation, or promotional materials associated with your company, is **strictly** prohibited. It is imperative that all contractors immediately desist from utilizing the WASA logo in any format.

Additionally, WASA uniforms are official attire intended solely for authorized personnel and must not be provided to any contractor by any WASA employee. Any unauthorized distribution or possession of WASA uniforms constitutes a violation of company policy and will be addressed appropriately. Contractors and their personnel must refrain from wearing or displaying any WASA-branded items in a manner that could imply an official association beyond their contractual obligations.

Please be advised that the Authority's exclusive rights over its intellectual property prohibit any unauthorized use. Any misuse or misrepresentation may constitute a violation of the laws governing WASA.

WASA remains committed to maintaining the integrity of its brand and operations. We appreciate your immediate attention to this matter and cooperation in ensuring compliance with WASA's policies and legal obligations. If you have any questions or require clarification, please contact the Procurement Department at 662-2302, extensions 2856, 2855 or 2878.

Cindy Martin-Faustin

**Assistant Director- Procurement
Water and Sewerage Authority**
